7) From the S.V's report it is clear that the cost will be more if obtained thro' the Contractor than if got direct for the Factory for Maidya. Since a very large quantity is consumed, even a difference of a quarter anna per lb will make a large difference for the whole quantity. Further how the present arrangement is not satisfactory is not explained by the S.S. He simply says for obvious reasons'. It seems best to continue the present practice of getting sugar direct for the Factory.

Sir,

In continuation of this office letter No.C.362-5 dated 3-9-1935, re: the purchase of sugar required for the Victoria Hospital, Bangalore, I have the honour to state that as per G.O. No.G.1828-9/Med.36-35-3 dated 31-8-1935 one tender common for all the three Hospitals in Bangalore for the supply of Diet articles etc., has to be called for during the current month. I request therefore that sanction of Government may kindly be obtained to include the item in the notice calling for tenders to be published shortly, an appropriate footnote being added to ensure that only "Mandya Sugar" is supplied.

Adverting to G.O.No.G.1721-4/Med.33-34-2 dated 22-8-1934, directing the purchase of sugar required for the Victoria Hospital, Bangalore and the Krishnarajendra Hospital, Mysore, direct from the Government Sugar Factory, Mandya, I have the honour to forward herewith a copy of letter No.276 dated 24-7-1935 received from the Medical Officer, Victoria Hospital, Bangalore reporting that he is not in favour of procuring the article direct from the Factory and suggesting that from next year onwards he may be permitted to call for tenders for this item also, the contractor being required to obtain supply of Mandya Sugar direct from the Sugar Factory alone by placing all the indents through the Medical Officer. The arrangement now in practice is for obvious reasons not working satisfactorily and I commend the request of the Medical Officer for procuring the Mandya Sugar through the Hospital Contractor as in the case of other Medical Institutions. As the change has to be notified in the notice calling for tenders which is likely to be published in September next, I request very early orders of Government in the matter.

Letter No.276 dated 24-7-1935, from the Medical Officer, Victoria Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

With reference to your No.24-6 dated 4th September 1934, forwarding copy of proceddings of the Government (No.G.1721-4/Med.33-34-2 dated 21/22-8-1934) in the matter of obtaining Mandya Sugar direct from the Government Sugar Factory, I hav the honour to state that direct purchase of Mandya Sugar is being made to this Hospital since January 1935, and a separate stock account showing receipt and expenditure is maintained for the same. I am not in favour of this system, as there is an appointed contractor, whose duty it is to supply, at short notice, all the diet and other articles required for the Hospital, I may, therefore, be permitted to suggest that from next year and onwards, tenders for Mandya Sugar may be called for, and the contractor may be bound to obtain supply of Mandya Sugar direct from the Government Sugar Factory by placing all the indents through this office.
